Description :

PDF-d4e75 | This wide-ranging collection brings together an eclectic group of scholars to reflect upon the transnational configurations of the field of American studies and how these have affected its localizations, epistemological perspectives, ecological imaginaries, and politics of translation. The volume elaborates on the causes of the transnational paradigm shift in American studies and describes the mat... *American Studies as Transnational Practice: Turning toward the Transpacific (Re-Mapping the Transnational: A Dartmouth Series in American Studies)*
