Description :

PDF-92d72 | When Graham Robb made plans to cycle the legendary Via Heraklea, he had no idea that the line he plotted - stretching from the south-western tip of the Iberian Peninsula, across the Pyrenees and towards the Alps - would change the way he saw a civilisation. It was an ancient path that took him deep into the world of the Celts: their gods, their art, and, most of all, their sophisticated knowledge ... *The Ancient Paths: Discovering the Lost Map of Celtic Europe*
