Description :

PDF-3f2ec | A compelling argument that the time has come to use what we know about the fascinating and diverse inner lives of other animals on their behalf. Every day we are learning new and surprising facts about just how intelligent and emotional animals are—did you know rats like to play and laugh, and also display empathy, and the ears and noses of cows tell us how they're feeling? At times, we humans t... *The Animals' Agenda: Freedom, Compassion, and Coexistence in the Human Age*
