Description :

PDF-3d0df | Antarctica is the most alien place on the planet, the only part of the earth where humans could never survive unaided. Out of our fascination with it have come many books, most of which focus on only one aspect of its unique strangeness. None has managed to capture the whole story—until now. Drawing on her broad travels across the continent, in Antarctica Gabrielle Walker weaves all the significa... *Antarctica: An Intimate Portrait of a Mysterious Continent*
