Description :

PDF-42920 | How are children raised in different cultures? What is the role of children in society? How are families and communities structured around them? Now available in a revised edition, this book sets out to answer these questions, and argues that our common understandings about children are narrowly culture-bound. Enriched with anecdotes from ethnography and the daily media, the book examines family s... *The Anthropology of Childhood: Cherubs, Chattel, Changelings*
