Architecting the Internet of Things PDF

: **Architecting the Internet of Things**

ISBN : #3642191568 | Date : 2011-04-12

Description :

PDF-e63d5 | Many of the initial developments towards the Internet of Things have focused on the combination of Auto-ID and networked infrastructures in business-to-business logistics and product lifecycle applications. However, the Internet of Things is more than a business tool for managing business processes more efficiently and more effectively – it will also enable a more convenient way of life. Since th... *Architecting the Internet of Things*
