Description :

PDF-f9cbc | The values that built the west have been forgotten. Instead, millennials have been raised to hold hedonism above all. Whatever feels good goes. Freedoms and rights are things for legislators and judges to conjure out of thin air, not precious traditions forged in the crucible of history. Most millennials reject the nuclear family, and the religious values, that our culture was built on because the... *Barbarians: How The Baby Boomers, Immigration, and Islam Screwed my Generation*
