Description :

PDF-0f828 | Beads are the oldest and most widespread form of art. They have been made from all materials in every corner of the globe. Their uses are innumerable. They do not just decorate people, but many other things as well. Moreover, they function as status symbols, magic charms, and are helpful to us in many other ways. While there have always been people interested in beads, the lack of information on t... *Beads of the World: A Collector's Guide With Price Reference*
