Description :

PDF-6363b | Diane France loves bones. Why? Because they talk to her. Every skeleton she meets whispers secrets about the life and death of its owner. Diane France can hear those secrets because she's a forensic anthropologist, a bone detective. She has the science skills and know-how to examine bones for clues to a mystery: Who was this person and how did he or she die? Bones tell Diane about... *Bone Detective: The Story of Forensic Anthropologist Diane France (Women's Adventures in Science)*
