ISBN : # | Date : 2016-06-07

Description :

PDF-372d8 | New York Times bestselling author Chuck Klosterman asks questions that are profound in their simplicity: How certain are we about our understanding of gravity? How certain are we about our understanding of time? What will be the defining memory of rock music, five hundred years from today? How seriously should we view the content of our dreams? How seriously should we view the content of televisio... *But What If We're Wrong?: Thinking About the Present As If It Were the Past*
