Clause and Effect: Prolog Programming for the Working Programmer PDF

by William F. Clocksin : **Clause and Effect: Prolog Programming for the Working Programmer**

ISBN : #354065237X | Date : 2003-04-29

Description :

PDF-425f7 | This book is for people who have done some programming, either in Prolog or in a language other than Prolog, and who can find their way around a reference manual. The emphasis of this book is on a simplified and disciplined methodology for discerning the mathematical structures related to a problem, and then turning these structures into Prolog programs. This book is therefore not concerned about ... *Clause and Effect: Prolog Programming for the Working Programmer*
