Description :

PDF-7710c | Over the past 25 years or so, the property/casualty insurance industry has confronted an onslaught of construction defect claims. Since the construction sector is a critical component of our Gross Domestic Product, it is not surprising that the impact of construction defect claims on the economy is significant. In addition, the ubiquity of these claims negatively impacts the availability and aff... *Construction Defect Claims: Handbook for Insurance, Risk Management, Construction/Design Professionals*
