Description :

PDF-f94ce | This book is a compilation of Faiz Ahmad Faiz's important English writings. Some of the articles spell out Faiz's well-known predilection for the progressive canons of literature. He could not conceive of art, literature, and culture without relating to the social, political and cultural tensions of the society they seek to portray. He has emphasized the relationship between super-structure and th... *Culture and Identity: Selected English Writings of Faiz*
