Description :

PDF-94250 | Decisions Without Hierarchy is based on a two-year examination of three feminist organizations: a peace group, health collective, and business women's group. From these case studies, Iannello constructs a model of organizations that, while structured, is nevertheless non-hierarchical. She terms this organization from the "modified consensus model." Her case studies show that modified consensus doe... *Decisions Without Hierarchy: Feminist Interventions in Organization Theory and Practice*
