Description :

PDF-01277 | In 2014, Big Finish started a new range of Doctor Who stories, bringing back original cast members from the 1960s eras in order to tell new stories: they're audio tales in black and white! The TARDIS crew encounter a dangerous race of clones, planning to drag the Solar System into an endless war. This range of era-authentic new stories has been hugely popular with fans, with a further two series a... *Doctor Who - The Early Adventures: 3.4 the Sontarans*
