Description :

PDF-d9cc2 | 3-D?means "three dimensional." It's easy to draw from side to side on your paper, using its width. It's easy to draw from top to bottom on your paper, using its height. But how do you draw something going away from you, into the distance? How do you create depth (the third dimension) in your drawing?What I want to teach you is linear perspective, a technique first developed almost 500 years ago,... *Draw 3-D*
